The provisions of this Chapter shall apply equally to new and existing conditions except that existing conditions not in strict compliance with the terms of this Chapter shall be permitted to continue where the exceptions do not constitute a distinct hazard to life or adjoining property.

Sec. 5-2-4 Orders to Eliminate Fire Hazards.

Whenever any of the officers, members, or inspectors of a Fire Department serving the Town shall find any building or upon any premises dangerous or hazardous conditions as follows,

Sec. 5-2-5 Service of Orders.

- (a) The service of such orders as mentioned in Section 5-2-4 may be made upon the owner, occupant, or other person responsible for the conditions, either by delivering a copy of the same personally or by delivering the same to and leaving it with any person in charge of the premises, or in case no such person is found upon the premises, by affixing a copy thereof in a conspicuous place on the door to the entrance of the said premises. Whenever it may be necessary to serve such an order upon the owner of premises, such order may be served either by delivering to and leaving with the said person a copy of the said order or, if the owner is absent from the jurisdiction of the officer making the order, by mailing such copy to the owner's last-known post office address.

This extreme danger of fire affects the health, safety, and general welfare of the residents of the Town of Friendship and constitutes a state of emergency. - (b) **Regulation of Fires, Burning Materials, and Fireworks.** Pursuant to Sec. 66.325, Wis. Stats., and when a burning state of emergency is declared, it may be ordered that a person may not:
